Sir:

**INFORMATION DISCLOSURE STATEMENT**

Applicants submit this Information Disclosure Statement pursuant to 37 C.F.R. §§ 1.97 and 1.98 in order to comply with the duty of disclosure under 37 C.F.R. § 1.56. These references are listed on the attached modified PTO Form No. 1449. It is requested that the information be expressly considered during the prosecution of this application and that the references be made of record therein and appear among the "References Cited" on any patent to issue therefrom. A copy of each of these references has already been provided to the Examiner in the file of Serial No. 08/740,653.

Applicants direct the Examiner's attention to the several pending and resolved interferences relating to the general subject matter of this application, including the January 31, 2003 "Decision on Motions; Show Cause Order" which was issued from The Board of Appeals and Patent Interferences in Interference Nos. 103,880, 103,881 and 104,154. Among the decisions rendered in these papers were orders to show cause concerning the patentability of the parties' claims. Applicants encourage the Examiner to consider these interferences, including Applicants' other interferences and interference requests. Applicants understand that the Examiner has access to the Decision on Motions; Show Cause Order and any other papers related to interferences. If the Applicants can be of service in providing additional information or copies of the papers, Applicants would be pleased to help.
